DETAILED ACTION

Examiner's Statement of Reasons for Allowance

Claims 1-7, 9-13, 15-19, 21-30 are allowed over prior art.

The following is a statement of reasons for the indication of allowable subject matter:

The closest cited prior art (U.S. Patent No. Wood et al., US Patent 6,609,198) fails to teach or suggest the features of sending and receiving a log-on message using placeholder syntax in place of a user identifier and a password for transparently logging a user on to a secure legacy host application recited by independent claims 1, 9, 15, 29 and 30. Claims 2-7, 12-13, 16-19, 21-28 would also be allowable for the reasons stated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
